

Title 5, Government Organization and Employees, by Pub. L. 89-554, §1, Sept. 6, 1966, 80 Stat. 378.

§ 450d. Delegation of regulatory functions to designated employees; status of employees; number; revocation of delegation

Whenever the Secretary of Agriculture deems that the delegation of the whole or any part of any regulatory function which the Secretary is, now or after April 4, 1940, required or authorized to perform will result in the more expeditious discharge of the duties of the Department of Agriculture, he is authorized to make such delegation to any officer or employee designated under this section. The Secretary is authorized to designate officers or employees of the Department to whom functions may be delegated under this section and to assign appropriate titles to such officers or employees. There shall not be in the Department at any one time more than two officers or employees designated under this section and vested with a regulatory function or part thereof delegated under this section. The Secretary may at any time revoke the whole or any part of a delegation or designation made by him under this section.

(Apr. 4, 1940, ch. 75, §2, 54 Stat. 81; Pub. L. 89-554, §8(a), Sept. 6, 1966, 80 Stat. 632, 650.)

CODIFICATION

Section was formerly classified to section 516b of Title 5 prior to the general revision and enactment of Title 5, Government Organization and Employees, by Pub. L. 89-554, §1, Sept. 6, 1966, 80 Stat. 378.

AMENDMENTS

1966—Pub. L. 89-554 repealed third sentence which related to grade of a position. See section 5109 of Title 5, Government Organization and Employees.

§ 450e. Authority of designated employees; retroactive revocation of delegation

Whenever a delegation is made under section 450d of this title, all provisions of law shall be construed as if the regulatory function or the part thereof delegated had (to the extent of the delegation) been vested by law in the individual to whom the delegation is made, instead of in the Secretary of Agriculture. A revocation of delegation shall not be retroactive, and each regulatory function or part thereof performed (within the scope of the delegation) by such individual prior to the revocation shall be considered as having been performed by the Secretary.

(Apr. 4, 1940, ch. 75, §3, 54 Stat. 82.)

§ 450i. Competitive, special, and facilities research grants

(a) Establishment of grant program

(1) In order to promote research in food, agriculture, and related areas, a research grants program is hereby established in the Department of Agriculture.

(2) **SHORT TITLE.**—This section may be cited as the “Competitive, Special, and Facilities Research Grant Act”.

(b) Competitive grants

(1) The Secretary of Agriculture is authorized to make competitive grants, for periods not to exceed five years, to State agricultural experiment stations, all colleges and universities, other research institutions and organizations, Federal agencies, national laboratories, private organizations or corporations, and individuals, for research to further the programs of the Department of Agriculture. To the greatest extent possible the Secretary shall allocate these grants to high priority research taking into consideration, when available, the determinations made by the National Agricultural Research, Extension, Education, and Economics Advisory Board (as established under section 3123 of this title) identifying high priority research areas.

(2) **HIGH PRIORITY RESEARCH.**—For purposes of this subsection, the term “high priority research” means basic and applied research that focuses on both national and multistate research needs (and methods to transfer such research to onfarm or inmarket practice) in the areas described in subparagraphs (A) through (F). Such needs shall be determined by the Secretary, in consultation with the National Agricultural Research, Extension, Education, and Economics Advisory Board, not later than July 1 of each fiscal year for the purposes of the following fiscal year.

(A) plant systems, including plant genome structure and function; molecular and cellular
